Event Pool Covers

Our modular engineered solution make it simple to temporarily cover your residential & commercial pool.

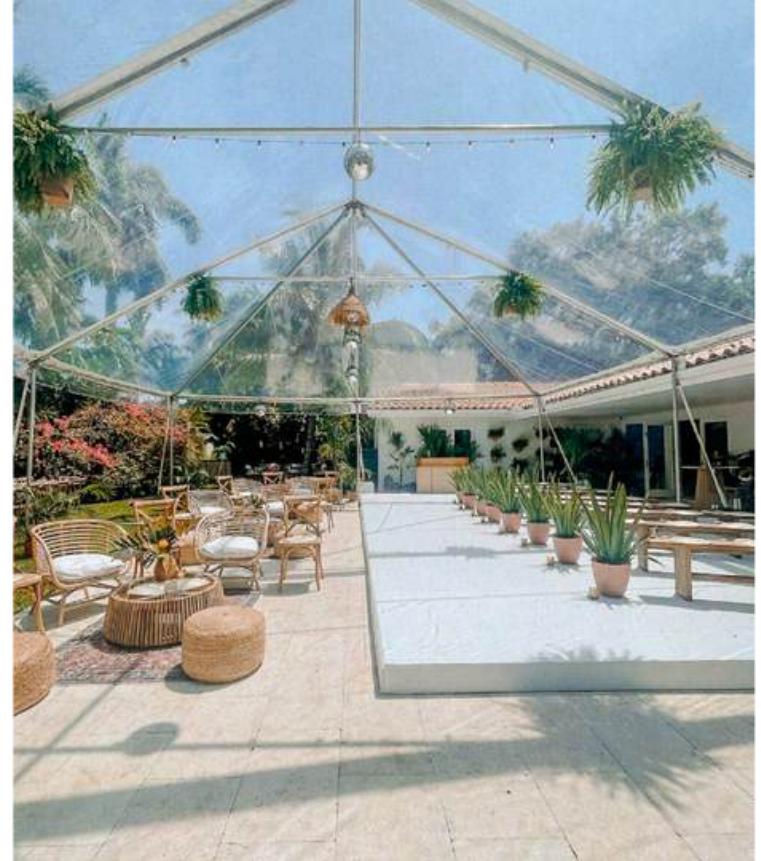

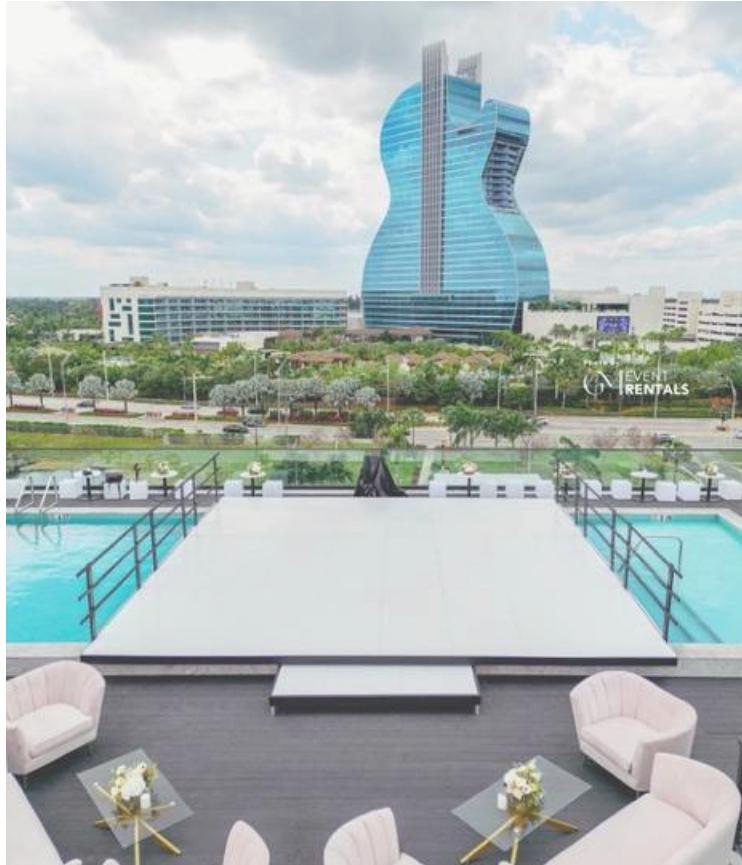

- Adaptable to any shape and pool size
- Aluminum supports & structure holds up to 6,400lb weight load
- Temporary installation leaves no permanent change to your space after event.
- Full or partial covers for different guest capacity
- Installation and breakdown by our team for commercial and residential pools

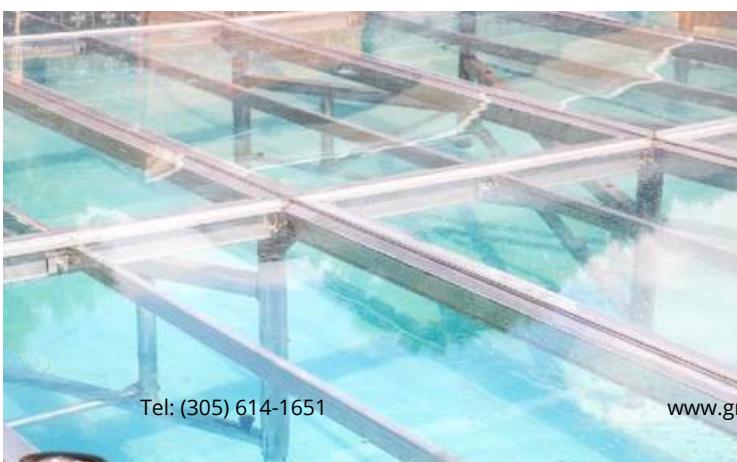

Our Process

- Provide pool measurements (length and width) along with photos for an estimate.
- Choose pool cover option: acrylic, black or custom top (vinyl, carpet, turf)
- Specify how much coverage you would like (full pool cover, partial cover, or runway)
- **Send to: goldenmoments@gmevents.info**

Elevated Event Flooring

Create a stable, leveled foundation for your guests. No more worrying about uneven surfaces.

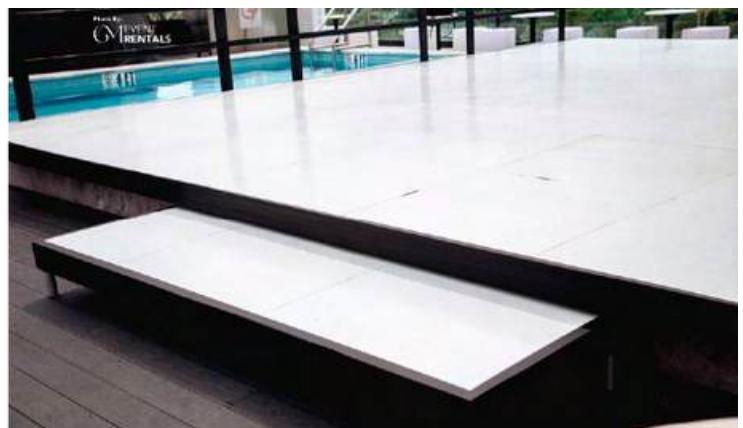

Elevated Flooring For Events

Our **elevated flooring** is designed to adapt to even the most challenging terrains. Whether your event space includes hills, terraces, or even a swimming pool, our advanced flooring system creates a stable, level foundation that ensures safety, comfort, and a polished appearance.

Leveled Surface For Tents, Dance Floors & Event Space

Elevated flooring creates a stable and level surface, making it **ideal for tent installations and dance floors**. This prevents sinking, ensures stability, and allows for seamless setups.

Create an elevated floor over your pool

Gain additional square footage for dancing, dining, or other activities. This allows you to maximize your event space without worrying about pool safety concerns.
